

ATTACHMENT - REMARKS

Claims 1-17, 19 and 20 are allowed in the present application. By this Amendment After Allowance, Applicants have amended the specification and submitted new formal drawings 2-5, as requested in the Notice to File Corrected Application Papers. Applicants respectfully submit that this Amendment After Allowance is appropriate for entry, in accordance with the Notice to File Corrected Application Drawings.

In the Notice to File Corrected Application Papers, it was requested that the figures on pages 10, 13 and 17 of the present specification be deleted from the specification and included as formal drawings. In accordance with that request, with this Amendment After Allowance, Applicants have deleted the figures presented on pages 10, 13 and 17 and submitted those figures as new figures 2-5. Therefore, new figures 2-5 do not constitute new matter. Finally, Applicants amended the specification to refer to the newly submitted drawings.

Applicants respectfully submit that this Amendment After Allowance is appropriate for entry, as it complies with the requirements of the Notice to File Corrected Application Papers.

Based on the foregoing, Applicants respectfully submit that the present application remains in condition for allowance.

Respectfully submitted,
